Field Trips • Hikes are rated: (U) = Undemanding (I) = Intermediate (C) = Challenging
Wings Group Sizes – We want just small flocks! We restrict many of our hikes numbers 15 – 20 to limit the impact and protect the environment; this ensures that you have a safe and quality experience.

All trips will depart at the designated time. Please check your confirmation for details.

Be Wings Weather Wise!

Our mountain weather can be unpredictable. Even on a hot, sunny day the weather conditions can change quickly. We want to ensure that you have the best possible "Wings" experience. When attending any of our outdoor field trips or activities (even in nice weather!) please be prepared.
